

HOME SCREEN · THE SPATIAL HUB

“The Living Threshold”

A full-bleed, living twilight scene — lush gardens, the glowing frosted-glass lantern, the tower beyond — that gently breathes and shifts between DAY ↔ DUSK. The buyer enters any world freely by touching one of five frosted-glass “lantern” buttons. No menus, no urgency — an invitation.

VISUALISING — living scene + breathing lantern · day/dusk toggle · EMBASSY ONE spaced-serif wordmark + script · 5 glass lantern nav buttons (sheen + brass underline) · agave-leaf motif
