“The Living Threshold”

The standard **home-constellation** pattern as a living twilight scene. Five “lantern” nodes — the **five worlds** below — are the navigation. Every inner screen reuses the shared **ScreenShell** (eyebrow + serif title + back). **DAY ↔ DUSK** ambient toggle · free spatial explore.

01 THE PLACE

PROVENANCE & ADDRESS

Project Overview PROJECTOVER

The idea — “an address with nothing to prove.” The 8-acre Embassy ONE ecosystem, Four Seasons adjacency, 60 residences, the six pillars.

Location LOCATION

The confluence — Sadashivanagar · Dollars Colony · Jayanagar; anchors: Golf Course, Hebbal Lake, WTC, Four Seasons.

► **Adapt:** elegant line-art geography — no cluttered distance chart.

02 THE GROUNDS

LANDSCAPE & LIFE

Master Plan ★ MASTERPLAN

The hero — the 2-acre garden as an experience. Five Lanterns / season hotspots (Winter-Spring-Summer-Monsoon-Autumn), day↔dusk crossfade.

Amenities AMENITIES

Pool pavilion · padel · half-court · yoga & meditation deck · banquet · Miyawaki forest · herb & pet gardens.

03 THE TOWER

ARCHITECTURE & VISUALS

The Tower ≈ PROJECTOVER

“A vertical manor.” The four principles — Light · Privacy · Materiality · Proportion. Double-height entries, 2 homes per floor.

Gallery GALLERY

The visual world — exteriors · landscape lanterns (day/night) · interiors (ID concept) · lifestyle. Render + lightbox.

04 THE RESIDENCES

THE HOMES

Floor Plans FLOORPLAN

05 THE SERVICE

THE STANDARD & THE CLOSE

The Service ♦ NEW

Embassy’s proprietary hospitality & lifestyle arm — anticipatory, unseen. “A home that takes care of itself.”

The Invitation ≈ BOOKING

The close — “Arrive.” Private viewing by appointment · quiet Expression of Interest · relationship-lead contact.

► **Adapt:** NO price breakdown, NO payment plan, NO urgency. An invitation, not a transaction.
