

HOME CONSTELLATION · THE HUB

“The Living Threshold”

Our standard **home-constellation** pattern, dressed as a living twilight scene. Each screen is a **node** the buyer taps to enter (free spatial explore); every inner screen uses the shared **ScreenShell** (eyebrow + serif title + back). **DAY** ↔ **DUSK** ambient toggle. Five “lantern” nav nodes lead to the worlds below.

▶ AMBER NOTES = BRAND-GUARDRAIL ADAPTATION VS. STANDARD SCAFFOLD

01 · PROJECTOVER

NARRATIVE

Project Overview

↳ brief: The Idea · A Vertical Manor

The cinematic “what is this place.” The manifesto, not a spec sheet.

8-acre Embassy ONE ecosystem · Four Seasons adjacency · 60 residences, 2/floor · six-pillar USP cards (Rarity · Provenance · Living Standard · Scale · Integration · Service).

02 · LOCATION

NARRATIVE

Location

↳ brief: The Place

Why this address — the confluence, told with restraint.

Sadashivanagar · Dollars Colony · Jayanagar. Anchors: Golf Course, Hebbal Lake, WTC, Four Seasons.

▶ **Adapt:** elegant line-art geography, not a cluttered distance chart. Emotion over connectivity stats.

03 · MASTERPLAN

EXPLORE

Master Plan

↳ brief: The Grounds · Five Lanterns ★

The hero interactive — the 2-acre garden as an experience.

Top-down garden plan · five lantern/season hotspots (Winter-Spring-Summer-Monsoon-Autumn) · day↔dusk crossfade · side panel per node.

04 · AMENITIES

EXPLORE

Amenities

↳ brief: The Amenities & Sanctuary

The lifestyle sell — “everything within reach, nothing on display.”

Pool pavilion · padel · half-court · yoga/meditation deck · banquet · Miyawaki forest · herb & pet gardens.

05 · GALLERY

EXPLORE

Gallery

↳ brief: The Visual World

Visual immersion across the project.

Categories: Exteriors · Landscape lanterns (day/night) · Interiors (ID concept) · Lifestyle. Render + lightbox.

06 · FLOORPLAN

RESIDENCES

Floor Plans

↳ brief: The Residences — Plans

Per-configuration plan exploration.

Selector: 2BR duplex · 3BR · 3BR+study/+media · 4BR(+study) · 4BR recessed · 5BR penthouse duplex. Sizes 4,149–15,124 sqft, orientation.

07 · INVENTORY

RESIDENCES

The Collection (inventory)

↳ brief: The Residences — by floor

Orientation through the 60 homes — explore by floor & configuration.

60 residences · 2 per floor · the floor stack · view / orientation per home.

▶ **Adapt:** NO price, NO “sold/limited” pills, NO urgency. Orientation, not a checkout. (Status visible to RM only, if at all.)

08 · BOOKING

CONVERT

The Invitation (booking)

↳ brief: The Close — “Arrive.”

The closer, reframed as a private invitation.

“Viewings are private and by appointment.” Quiet Expression-of-Interest capture · relationship-lead contact.

▶ **Adapt:** NO price breakdown, NO payment milestones, NO urgency. A refined EOI — an invitation, not a transaction.

09 · SERVICE ♦ NEW

NARRATIVE

The Service

↳ brief: The Embassy Standard

Custom screen — service as product (the brand's key differentiator).

Embassy's proprietary hospitality & lifestyle arm — anticipatory, unseen. “A home that takes care of itself.”

▶ **New:** beyond the standard 11 — Embassy ONE-specific.

10 · EMAILSENDER

INTEGRATION

Email Sender

↳ brief: The Leave-Behind

Send the curated brochure to a prospect from the device.

Pre-filled composer + attachments (e-brochure / floor-plan booklet PDF). Backend webhook or stub.

11 · GRE

INTEGRATION

GRE App

↳ Guest Relations

Placeholder for Embassy's guest-management system.

Teaser modal + “external app, integrable into Sales Suite” badge. Minimal by design.

12 · MINICRM

INTEGRATION

Mini CRM

↳ Leads & Pipeline

Placeholder for integrated lead management.

Faux dashboard + “integrable” badge. Swap for real embed if Embassy has a CRM.
